

Request for Quotation (RFQ) for Mobile Calling and Data Plan

Peace Corps Madagascar is seeking for a provider who would give them the best services and quality for call and data for 43 users and for two consecutive years.

The vendor must mention in their offer all costs for the two years, separately. PC will use those for the contract. Thus, no cost increase should happen during those years. Quotation should be received by January 31st, 2021 at the latest.
